APEX Accelerator

...What We Do!

- ❑ Georgia Tech APEX Accelerator helps Georgia businesses identify, compete for, and win government contracts. Our assistance comes in the forms of teaching, mentoring, and coaching. Our services are available at no cost to any Georgia business, large or small, that possesses the interest and potential to perform work – as a prime contractor or a subcontractor – for defense, federal, state, or local government.
- ❑ We help businesses navigate the government procurement processes to become procurement ready in the *government industrial base (GIB)* and in the *defense industrial base (DIB)*.
- ❑ Our services include training; one-on-one counseling; computerized bid matching services; and tools to help businesses succeed in the government marketplace.
- ❑ Georgia Tech APEX Accelerator services are free, offered **at no cost** to Georgia businesses and nonprofits.
