

Turn your relationships into AI revenue.

Become a sales channel partner with the products, methodology, and community to help clients turn AI investment into adoption, readiness, and results.

**You bring trust.
ESource brings the engine.**

AI

PARTNER OPPORTUNITY

A practical way to expand your
value and your revenue.

Your clients need more than another AI tool.

They need help turning AI investment into adoption, readiness, and revenue.

THE CLIENT GAP

**Tools get purchased.
Adoption stalls.
Revenue gets delayed.**

Most organizations do not need more technology first. They need a clear path from capability to business value.

YOUR ADVANTAGE

You are already in the room.

You have the trust, access, and business context. ESource adds the products and delivery engine to help you solve a problem your clients already feel.

The opportunity: expand the conversation from “AI” to measurable client value.

One partnership. Two complementary practices.

Choose the client problem you are best positioned to open.

ESOURCE AI GROUP

Make products launch-ready.

- Product Launcher
- AI Teacher + Expert Assistant
- Role Play Engine + Digital Twins

AI EXECUTION PARTNERS

Make AI adoption executable.

- Crash Test / CrashScan
- AI Value Creation Roadmap
- Adoption Sprints + Scale

Together: from product knowledge to realized business value.

You choose how much of the partnership you own.

Start with the role that fits your relationships, time, and ambition.

REFER

Introduce a qualified opportunity.

CO-SELL

Join discovery, demos, and client conversations.

AUTHORIZED SALES

Lead the client sale with ESource support.

RESELL

Sell an ESource offer under written authorization.

ESource helps with discovery, demos, proposals, delivery support, and escalation.

Partner community

Collaborate on opportunities, exchange ideas, network with peers, and learn from shared wins.

The opportunity is bigger than a commission.

It is a way to build a stronger practice around a problem your clients already have.

NEW REVENUE

Create new income from trusted client relationships.

READY-MADE ENGINE

Use ESource products, methodology, and support instead of building everything yourself.

MORE CLIENT VALUE

Bring practical AI solutions that connect to business outcomes.

REAL COMMUNITY

Collaborate, network, share opportunities, and grow with other partners.

Let's identify your first three opportunities.

Start with the clients already asking about AI, sales readiness, or execution.
