No generic advice — only answers from your actual materials

Strategic Intelligence at Your Fingertips

Upload complex documents. Get instant answers.

1 Financial Deep Dives

Pinpoint data across tax & P&L docs

2 Legal & Compliance

Compare clauses and navigate regulations

3 Competitor Analysis

Query competitor gaps in live negotiations

THE STUDIO PANEL

Transform Raw Data Into Polished Outputs

Turn your uploads into ready-to-use business assets — in minutes.

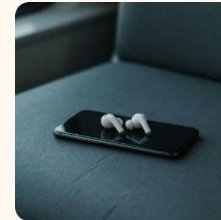

Mind Map

Visualize your entire business strategy from a pile of notes.

Slide Deck

Auto-generate investor presentations directly from your raw data.

Audio Overview

Stay sharp on industry trends hands-free during your commute.

How It Works — End to End

Gemini Notebook's entire value chain in four steps — from raw information to polished, shareable deliverables.

From Overwhelmed to In Control

⚠ Before

- Scattered docs, manual searching
- Slow onboarding, missed insights

✓ After

- Centralized knowledge, instant answers
- Automated summaries, clear strategy

Entrepreneurs save **5–10 hours per week** with Gemini Notebook.

Your First Move

Pick **one pain point** and start — the results will speak for themselves.

01

Choose a Document Set

Surveys, reports, or handbooks
