YOUR EMPLOYMENT IS AT-WILL

JOHN F. PENNEBAKER CO., INC.

START WITH THE RELATIONSHIP

The handbook gives you the starting rules for the employment relationship.

- Either you or the company may end the relationship at any time, for any reason, with or without notice
- The handbook is a guide — not a contract or promise of continued employment
- No one except the CEO or president can change this in writing
- This protects both of you — and it is the starting point for everything else

At-will is the starting point. The handbook is a guide, not a contract.

START WITH CLARITY

AT-WILL

The handbook is a guide — not a contract.
